

Bedminster class Year One homework.

Week One.

Spellings.

One
Two
Three
Four
Five
Six
Seven
Eight
Nine

Mental maths.

Can you begin to learn your number bonds to ten?

$$1 + 9 =$$

$$2 + 8 =$$

$$3 + 7 =$$

$$4 + 6 =$$

$$5 + 5 =$$

$$6 + 4 =$$

$$7 + 3 =$$

$$8 + 2 =$$

$$9 + 1 =$$

READING SKILLS

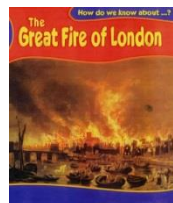

Please read your reading book with an adult at home. You now have your yellow reading record books to record in as well!

Adults - reading doesn't always have to be our school reading book - any books you read at home can be recorded - even comics and magazines count!

Ask your child questions about what they have read or stop them and get them to predict what might happen next - we want to check that as well as decoding words and recognising the words they are reading that your also understands the context and content of the story.

English

We have been learning information about the Great fire of London.
Can you draw a picture and write a sentence to tell an adult at home what you know already?

Maths

Answer the following problems – can you write a number calculation for each problem?

If you had 10 glass bottles and 3 plastic bottles, how many bottles are there altogether?

If you had 5 milkshakes and 2 fizzy drinks, how many drinks do you have in total?
