Number Bonds to 10.

- 0 + 10 = 10
- 1 + 9 = 10
- 2 + 8 = 10
- 3 + 7 = 10
- 4 + 6 = 10
- 5 + 5 = 10
- 6 + 4 = 10
- 7 + 3 = 10
- 8 + 2 = 10
- 9 + 1 = 10
- 10 + 0 = 10

These number bonds are to be learnt by heart - if your child can instantly recall the number pairs to 10 they will become speedier at mental maths.

READING SKILLS

Please read your reading book with an adult at home. You now have your yellow reading record books to record in as well!

Adults - reading doesn't always have to be our school reading book - any books you read at home can be recorded - even comics and magazines count!

Ask your child questions about what they have read or stop them and get them to predict what might happen next.

Challenge - read to an adult every day!

LITERACY

We have been reading the story of Funnybones this week. Choose your favourite Funny Bones character and write some words that describe it.

Challenge: Write a sentence that includes your describing words.
