Home Learning Topic Challenges for Year 5/6
Term 2 & 3 Topic: Fair Trade- Go Bananas
(Geography, History & Design Technology)

Planning Ahead
- I have a strategy before I start my work

Being Adaptable
- I can change my approach when one way does not work

Perseverance
- I never give up when things are difficult

Curiosity
- I ask great questions to find information

Creativity
- I enjoy using my imagination

Connecting Ideas
- I enjoy linking what I learn to real life learning

Learning Relationships
- I enjoy working with others

Plan and cost your own healthy 'Fairtrade' meal. Decide where you will get each ingredient and record how much it would cost.

Make and evaluate your meal (make sure you do this with an adult at home).

Create a diagram showing the journey from source to shop of a Fairtrade food:
e.g. Cotton, sugar or coffee.

Research and record 10 top facts about Fairtrade.

Design a T-shirt advertising Fairtrade.

Write a diary entry of a FAIRTRADE farmer.

Design a quiz about Fairtrade food. E.g Where are bananas grown?

Ask someone at home to take your quiz.

All children should complete at least one challenge over the term. They can do more than one challenge if they choose. Children will be awarded a raffle ticket for each challenge completed, which will be entered into a prize draw at the end of the term!
